## Get To Know 300 Staff!

**Wayne Dabrowski**  
IT Manager

**How long have you been at 300 South Riverside Plaza?** I have been working here for about 4 months now!

**When you aren't working what do you enjoy doing?** When I'm not working, I love to spend time with my Wife, 7 year old son, and Dog We sometimes will play Mario party together, or go for a walk around the neighborhood, or watch some movies together!

**What is the best piece of advice you have ever been given?** Learn to walk away from a problem if you have been banging your head against it for a little while. You might end up finding the solution focusing on something else for a bit.

**What is your favorite thing about working at 300SRP?** It's gotta be the people! Everyone is very friendly and kind, I love being able to see the riverfront, and little toasted being downstairs isn't bad either!
